Llywodraeth Cymru
Welsh Government

Dr Emyr Roberts
Chief Executive of Natural Resources
Wales

Emyr.roberts@cyfoethnaturiolcymru.gov.uk

Dear Dr Roberts

I am writing to confirm that the Minister for Natural Resources has agreed to the proposed management plan for the Burry Inlet Cockle Fishery. The relevant decision report can be found at the following link.

<http://gov.wales/about/cabinet/decisions/2015/jan-mar/environment/cs0775/?lang=en>

However as you are aware the Minister has several concerns regarding the longer term management of the fishery, and management of cockle fisheries more generally which we are discussing with your team.

Yours sincerely

Robert Floyd

Head of Marine and Fisheries Government Business, EMFF, Aquaculture and Freshwater Fisheries
