

Notice to Mariners

DEE CONSERVANCY

No.13 – 2018

River Dee – Connah’s Quay

Wreck recovery

Mariners are advised that from the 1st October 2018, salvage works to recover the wreck of a sunken fishing boat will be taking place off the dock at Connah’s Quay.

The works are anticipated to take place only during daylight hours and when the tides are suitable. Other vessels may be in attendance alongside the wreck during operations.

Mariners are advised to keep well clear at all times and to pass at slow speed to minimise any risk of wash.

A further notice will be issued on completion of the works.
